

The Maldon Society

Treasurer's Report for AGM 1st May 2025

First, as always, I should like to thank Mike Ennals for being our external examiner for the accounts again. He is now standing down after many years, he was even doing so before I joined in 2010! We are grateful for Chris Daines to carry the baton.

Our move to the magnificent United Reformed Church in January, has enabled us to remove the necessity of pre-booking for the members and visitors; we just need to find our way through the wonderful technology here.

We had no major purchases through this year so our funds are in a good position. A couple of the committee members have thoughts for new projects so watch this space.

It has been an honour to serve for 15 years and I pass this baton onto George Bunting.

Lindsey Wright, Treasurer
